COMMANDER'S NOTES

Starting immediately, we are establishing a "dress code" for all meetings and events. We should look as professional as we are. Take pride in our Post and The American Legion!
Business attire or Legion apparel with long pants or skirts

THERE WILL NOT BE A MONTHLY GET TOGETHER FOR JANUARY. Look for the next one in the February Newsletter.

Requesting every member submit a biographical story about yourself. Send to Deb Davis at debDavis4546@gmail.com

You can help your Post earn some money! If you shop at King Soopers or City Market and use your Rewards Card; Post 206 will receive .3% from your purchase. We have received

\$450.00 so far. If you would like to help: Go to KingSoopers.com, then sign into your account. Choose *Community Rewards* and type in Helen K. Osmundson. Click on the box and you are set.

IT IS PAST TIME TO RENEW YOUR MEMBERSHIP!

We are currently at 80%. We need those of you who have not renewed your dues to do so by the end of February. We won't make 100% due to losing 3 members to moves out of state.

Those who have not renewed will receive a delinquent letter this month. You have until 28 February to renew without losing your accumulated years. After that you start over at year 1.

We are selling our cups and mugs! \$10.00 each if it must be mailed to you or \$5.00 each if you pick up at a meeting.
