

Annual Data Reports and 2027 Post Dues Submission Deadline

Greetings Legionnaires,

This is a reminder that the **Annual Data Report (ADR)** submission deadline is **July 10, 2026**. Please ensure your Post completes and submits its Annual Data Report on or before this date.

During the recent Department Convention, the Department Executive Committee approved a **\$5.00 increase in Department per capita for the 2027 membership year**. As a result, any Post wishing to increase its dues to account for this change must notify the Department of its new dues rate.

Please send your updated dues amount to:

adjutant@coloradolegion.org

no later than **July 10, 2026**.

Important: Any Post that does not submit a revised dues amount by the deadline will be entered into the membership system at the default rate of **\$46.00 per member**.

If you have previously emailed me, called me, or verbally advised me of your Post's intended dues increase, please resubmit your information via email so I can properly track submissions and ensure no requests are overlooked.

Please include:

- Post Number
- Current Dues Amount
- New Dues Amount for the 2027 Membership Year
- Name and Title of Person Submitting Request

Thank you for your prompt attention to this matter and for your continued service to The American Legion.

For The Good of The Legion,

James Talaska
Department Adjutant
The American Legion Department of Colorado
140 W. 29th St. #331
Pueblo, CO 81008
