Keeping the Flame of Patriotism Alive By: Pat Smith, Department Adjutant Commander Greg Jackson presents his special Commander's Appreciation Award to Past Department Commander Terri Clinton for her 25 days of Christmas Facebook project. As the Auxiliary chair for Americanism, Terri, and members of her committee, put together a series of 25 video presentations using members of our Jr Auxiliary and SAL members to record various patriotic messages to our Department Facebook friends. Video included Juniors singing "It's a Grand Old Flag", a reading of the poem "Flanders Field, the Pledge of Allegiance and some other super videos all tied into the Americanism Theme. Do yourself a favor and go to the Department Facebook page at colegionhq, and see for yourself. You will be impressed. Congratulations to Terri and her team for Keeping the Flame of Patriotism Alive.
